Effective: 2/1/2014; Last Revised: 3/13/22

PLEASE REVIEW CAREFULLY. If you have questions, you may call 855-677-1677 (855-MPP-1MPP).

YOUR USE OF MPP'S WEBSITE OR ITS SOCIAL MEDIA PAGES (HEREIN COLLECTIVELY REFERRED TO AS THE "SITE"), INCLUDING ANY USE OF MPP BY PHONE, IS CONDITIONED UPON YOUR ACCEPTANCE OF THE TERMS AND CONDITIONS IN THESE TERMS OF USE. BY SCHEDULING A VISIT, YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THESE TERMS OF USE. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, YOU ARE NOT AUTHORIZED TO USE THE SITE'S SERVICES.

Services Provided

MPP provides healthcare resources to individuals from physicians and other licensed health care practitioners ("Providers") via real-time audio and video conferences (at times supplemented by telephone, secure e-mail, and HIPPA-complaint text messaging), for the diagnosis and treatment of patients ("Services"). MPP itself does not provide any clinical services, nor does it employ any of the Providers of Services. All participating Providers have independently contracted to provide Services for MPP, and MPP enables access to those Providers who have agreed to provide patient care to Customers using MPP'S Services. **MPP is NOT a prescription fulfillment site.** The clinical care provided by MPP Providers is comprehensive, traditional medical care between clinician and patient, and meets all standard of care requirements for such practice. Importantly, by agreeing to receive services from an MPP Provider, you are acknowledging that you have read MPP's [Notice of Informed Consent](#) and are giving your informed consent to have your care delivered through telemedicine.

MPP Providers reserve the right to terminate access to care for actual or potential misuse of these Services. In such an event, standard of care protocols dictating proper termination of the clinician-patient relationship will be carried out by the Provider.

Use of this Site and its Services is NOT FOR EMERGENCIES

MPP's Site and Services are **NOT FOR** use for medical or psychiatric emergencies. IF YOU THINK YOU HAVE AN EMERGENCY YOU SHOULD CALL 911 IMMEDIATELY. You should not disregard or delay seeking medical

advice based on anything that appears on or related to MPP's Site. Furthermore, it is **MPP's policy** that if the MPP Provider determines during the course of your visit that you require emergent care, he/she will notify 911 and have them dispatched to your home address, and will supply emergency services personnel with any information necessary to ensure your safety and well-being.

Prescription Policy

MPP's Providers, as independent contractors, are to operate in full accordance with federal and state regulations dictating Provider prescribing of medications in general, and telemedicine in particular. MPP is not in any manner a prescription fulfillment service. If a Provider chooses to prescribe a medication, he/she will do so as deemed necessary and appropriate in their sole discretion and professional judgment based on their full and proper medical evaluation. MPP does not guarantee that a prescription will be written on the first visit, or at all.

You agree that any prescriptions that you acquire from a Provider shall be solely for your personal use. You agree to fully and carefully read all provided product information and labels and to contact the Provider or your pharmacist if you have any questions regarding the prescription.

Record and Identification Establishment and Security

In order to utilize the Site and Services, you represent and warrant that you are at least 18 years of age and possess the legal right and ability, on behalf of yourself or a minor child of whom you are a parent or legal guardian, to agree to these Terms of Use. You further agree to engage these Services under your own name and to as requested either establish and use a confidential password or provide visual proof of a valid state-issued ID, for MPP's use in properly verifying your identity prior to visits. You agree to fully, accurately and truthfully inform MPP of required information including, but not limited to, your name, password, valid ID, email address, mailing address, and phone number. You also agree to be physically present in the state in which the Provider is licensed to practice at the time of the visit.

To access MPP Services on behalf of a minor child of whom you are a parent or legal guardian, a record will be established in their name though you must be associated in the record as their legal guardian, and both you and the minor must be present for each visit, without exception.

MPP's Provider may, in its sole discretion, refuse access to care due to actual or potential misuse of this security policy, or for other noncompliance with these Terms of Use.

Waiver of Insurance

By utilizing our service for a psychiatric visit, you are acknowledging your awareness that MPP is not an enrolled provider under Medicare, Medicaid or any commercial insurance, and thus cannot be reimbursed by those payors for providing this service to you. Therefore, by having a visit with us, you are voluntarily electing to pay for this service out-of-pocket, even though it may be a covered service under your insurance plan. You understand and agree that you are not to submit a claim to your insurance for reimbursement for these services, or expect MPP to reimburse you or your insurance company for any services already provided, under any circumstances.

Fraud Prevention and Security

MPP may contact you to verify your personal information in order to assure proper and secure use of these Services. Should MPP request further information, you agree to provide such information so we can ensure that Services are not being utilized fraudulently. You may be required, upon request, to show a legal form of photo identification at the time of your visit to verify your identity. If you do not provide this information in the manner requested, MPP reserves the right to suspend, discontinue or deny your use of the Site and Services until such information is provided to MPP as requested.
